

Paul's apostolic authority proved

Galatians Part 3

Galatians 2:Select passages, 15-21

Paul continues his aggressive defense of his apostleship by Christ by showing that the mother church in Jerusalem had received him as such, and by his confrontation with a back-sliding Peter! The chapter concludes with a stark and oddly beautiful word picture about Paul's relationship to the Law of Moses: "I died...I have been co-crucified with Christ and I no longer live." A dead man is not under law.

V1-5, Paul's arrival in Jerusalem, some time just before the Jerusalem council of Acts 15.

v6-10, The validation of Paul's gospel for the gentiles by Peter and James and others in Jerusalem.

V11-14, Peter and Barnabas compromise the **practical application** of the gospel of God's grace.

- V12 "certain men", See Acts 15:1-14 (and on),
- See 1 Timothy 1:3

Sending prayer

“Not by works of righteousness which we have done, but according to his mercy he saved us, by the washing of regeneration, and renewing of the Holy Ghost; Which he shed on us abundantly through Jesus Christ our Saviour; That being justified by his grace, we should be made heirs according to the hope of eternal life.” (Titus 3:5-7)

You may notice we don't pass an offering plate

The Lord loves a cheerful giver. God's grace and provision motivate His people to give generously to His work and needs of His Body, as He enables, not under obligation or social pressure.

We invite you to participate in the ministry, and the offering box in the foyer is for your gifts and offerings for the Lord's work.
